Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From Ste. Marie s little flat, which overlooked the gardens, they drove down the quiet rue du Luxembourg, and at the Place St. Sulpice turned to the left. They crossed the Place St. Germain des Pres, where lines of home-bound working-people stood waiting for places in the electric trams, and groups of students from the Beaux Arts or from Julien s sat under the awnings of the Deux Magots, and so, beyond that busy square, they came into the long and peaceful stretch of the Boulevard St. Germain. The warm, sweet dusk gathered round them as they went, and the evening air was fresh and aromatic in their faces. There had been a little gentle shower in the late afternoon, and roadway and pavement were still damp with it. It had wet the new-grown leaves of the chestnuts and acacias that bordered the street. The scent of that living green blended with the scent of laid dust and the fragrance of the last late-clinging chestnut blossoms; it caught up a fuller, richer burden from the overflowing front of a florist s shop; it stole from open windows a savory whiff of cooking, a salt tang of wood smoke; and the soft little breeze--the breeze of coming summer--mixed all together and tossed them and bore them down the long, quiet street; and it was the breath of Paris, and it shall be in your nostrils and mine, a keen agony of sweetness, so long as we may live and so wide as we may wander--because we have known it and loved it--and in the end we shall go back to breathe it when we die.
