By Diane Taylor

Writers Club Press. Paperback. Book Condition: New. Paperback. 528 pages. Dimensions: 9.1in. x 5.9in. x 1.3in. Traveling in Time and Space is about love, the love Jesus has for us and our earth. He warns us by saying, It is serious, very serious. He is referring to the many problems facing our society and our earth today. He also predicts coming disasters unless we change direction soon. He predicted the September 11, 2001 bombing of the World Trade Centers, he predicts more attacks and even more serious problems. He takes us on a journey through the universe to show us other lives and worlds. We visit a possible future earth and a possible dead one, we visit angels and descendents, we visit societies wildly dissimilar and amazingly alike, and we visit with the spirit of Jesus Christ, the universal savior. Traveling in Time and Space is a learning process for the author as well as the reader. This book belongs to Jesus. He speaks to each and every one of us. It is up to us to listen.
