## THE TRUTH ABOUT PUTTING: A SIMPLE SYSTEM FOR DEPENDABLE SHORT-PUTTING AND FEEL-ENHANCED LONG-PUTTING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.By Anthony Procopis, owner and creator of The Truth About Putting. The information in this book has come from 29 years of playing, studying, practicing and competing at golf, and a 4-year-old website - The Truth About Putting - which has served up free and paid information, via books, email-lessons and video, to tens of thousands of golfers (from high handicap golfers to touring professionals). This book is vastly different to the original version. Now, the book is larger and broken into 4 sections - plus the introduction and overview of the methodology. The sections are: 1. Introduction and an overview of the books contents and The Truth About Putting methodology. The sub-headline for this book describes it as, A simple system for dependable short-putting and feel-enhanced long-putting. 2. Section 1 - Short Putting: the largest of the sections. Short-putting differs from long putting in that there is an expectation to make these putts in one shot. This expectation naturally increases pressure. The process in the book - the 4 R s of putting - will help you deal with the pressure and keep you focused on the process which will result in a dependable, free flowing stroke and solid short-putting. 3. Section 2 - Long Putting: very good medium to long putting is about putting with the correct feel along the correct line. Better green reading plays a big part in generating the appropriate feel. This section gives you information that when applied, will help you hit long putts next to the hole more often (and in) - by improving the simple process of, see, feel and swing (and review). 4. Section 3 -...
