

Europes Classical Balance of Power: A Case History of the Theory and Practice of One of the Great Concepts of European Statecraft

By Edward Gulick

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 7.7in. x 5.2in. x 0.8in. A lucid explanation of a phenomenon that students of international relations only too often are content to treat in generalities. Edward H. Buehrig, Indiana University, in American Political Science Review What was the origin of the idea of the balance of power How did European leaders apply its principles in actual practice Widespread as the term balance of power has been, and vital as its principles have been in European statecraft, nevertheless study of its theory and practice has often been neglected by historians. A more complete understanding of the concept is arrived at in Edward Vose Gulicks well-knit examination of the two questions posed above. Throughout the book, the events of history and the diplomatic struggle as played out by statesmen are related to balance-of-power theory as conceived by political scientists. Europes Classical Balance of Power brings into the spotlight of scholarly attention an idea that has demonstrated great vitality in times gone by, that has worked behind the scenes in the conclaves of power, and that, under another name, has survived to influence twentieth-century diplomacy. This item ships from multiple locations....

Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.

-- **Mr. Enrico Lesch**

The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Vincenza Hand**
