

Witch Piss (Paperback)

By Sam Pink

Lazy Fascist Press, United States, 2014. Paperback. Book Condition: New. 229 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I noticed it was beginning to get dark. And for a couple seconds, it was scary-like that meant the world was breaking, or expired, or bruised, or something worse. It was really scary for a couple seconds but then I calmed down. Up above, the moonlit clouds looked rippled, like the ribcage of some giant thing digesting me. And I wondered if the direction I was going went down into the digestive system or up out of it. Wondered what difference it made. There was a bug hovering over a small pool of ice cream on the sidewalk. Like a firefly, but it wasn't a firefly. And I could've stepped on it and killed it. But I didn't. Be thankful, little bug. For in my world, you are just a little bug.

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.
