Kyle Austin Blevins passed away January 12, 2011 at the tender age of sixteen. His choice to leave this world has left an indelible impact on family and friends. No one knew of the pain he was suffering. As his father, I want everyone to remember Kyle for the way he lived his life and not how it ended. Days after his passing I began writing about Kyle. I felt an overwhelming desire to preserve and share my memories of Kyle. This ultimately led to publish this book in honor of my son. Kyle blessed his family and friends with sixteen years of fond memories, most of which were absolutely hilarious. These stories represent my most cherished memories of my firstborn son. Allow me to share my sons stories with you, both the sad and the outrageous. Take a few minutes and get to know Kyle. He was so unique and talented that the future was his to define. I am sure you will enjoy my recollection of memories. You may shed a tear or most certainly laugh out loud at Kyles antics. He touched my heart with his kind, silly, brilliant and humorous personality I know he will touch yours as well. Kyles message to family and friends would be, Please dont be sad, I am now in a better place where peace, happiness and love are everywhere. I am no longer in pain. This item ships from La Vergne, TN. Paperback.
