

## Fundamentals of The Interrogation Techniques

By Satya Pratap Singh

2008. Hardcover. Book Condition: New. 164 pages. English  
Quality interrogation is an essential ingredient of any investigation. Unfortunately it also happens to be the most neglected aspect of any investigating process owing to certain extraneous considerations. Firstly the Interrogator himself is a tearing hurry to claim the kudos for the speedy results. Equally responsible is the media, both print and visual who it appears, at times, suffer from the "breaking news syndrome". Public too could be blamed who suffer from the insatiable appetite for instant results. All these infirmities adversely affect the investigation which result in the miscarriage of justice since any faulty investigation can never withstand the judicial scrutiny by a court of law. Possibility of an innocent person going behind the bar cannot be ruled out if any investigation has been built up on ill conceived prejudices and bias. There are hardly any books on interrogation techniques except for out-dated manuals available with various departments engaged in the investigation of criminal or civilian offences. The author has vast experience of interrogation techniques first as a Brigade Intelligence Officer in a committed infantry Brigade opposite Pakistan and then in the Directorate of Revenue Intelligence, Central Economic Intelligence Bureau and...
