Reviews

This pdf can be worthy of a read, and much better than other. I am quite late in start reading this one, but better then never. Its been printed in an remarkably easy way which is merely following i finished reading this book by which basically changed me, alter the way i think.

(Nedra Kiehn)

CLOGPOTS IN SPACE (PAPERBACK)

HarperCollins Publishers, United Kingdom, 1994. Paperback. Book Condition: New. Scoular Anderson (illustrator). 197 x 130 mm. Language: N/A. Brand New Book. The Clogpots are not very bright. And when they end up in space, who knows where their adventure will take them? The Clogpots are so slow, they make snails look brainy! So when they try to fly a hot air balloon, it s not surprising that things soon go disastrously wrong. They have ended up in space, with no way to get home! Things may not be exactly what they seem, but will they be able to muddle their way out of trouble? Jets is a series of simple stories with lots of lively pictures, ideal for children who are just beginning to enjoy reading.
