A whole road trip to how your thoughts can help you get all the money and wealth you desire. But not just any thoughts like I should eat ice cream because such thoughts would only help you to gain fats. What I mean by thoughts are you rich thoughts like if I am a good painter I should exhibit my talent or If I am good at handling pets I should open a pet-care center . If you cannot display your paintings in an art gallery, you can gift some to your friends as a publicity stunt and publicize them on social media. If you do not have a place to keep pets you can go to the babysit pets like they babysit little kids or you could bring them to your own house. How life goes through various transitions of surprises, regrets, and memories and what can we do build our own steel staircase out of all the scrap of life. How our thought process works and the differentiation between thought types. The beautification of ideas to make life worth living. The importance of hope and the power it hands to us once we get along. How optimistic approach helps us cross every border of hardship and stay contented along with helping us to make money. The world of money around us and how we sabotage our own wealth by our lust for money. How to create a job and make it work. The means to magnetize money and the necessity of the right type of manipulation. How to make a long-term wealth plan and make all your efforts to...
