SIDEWAYS 3 CHILE (PAPERBACK)

First Edition Design eBook Publishing, United States, 2015. Paperback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****. Sideways 3 Chile is the third, and final, novel in the trilogy that began with Sideways -- which became the award-winning movie of the same title by Oscar-winning director Alexander Payne -- and Vertical, which won the 2011 Gold Medal for Fiction from the Independent Publisher Book Awards. Sideways 3 Chile finds our main protagonist Miles Raymond (Paul Giamatti in the original film) running out of money, but still surviving on the fumes of a past, but fleeting, fame. When he is offered an opportunity by a reputable magazine to write an article about the diverse wine regions of the country of Chile he jumps at the chance. At the end of Vertical, Miles had fallen in love with a Spanish girl, Laura, and he asks her to fly from Spain to accompany him. Miles, in full panic anxiety mode, which is endemic to his character, flies to Chile to meet Laura and discover this beautiful and vast country. Complications, heartbreak, and romance ensue. In the great and desolate Atacama Desert in the north of Chile Miles comes face to face with himself. About the Author: Rex Pickett is the critically-acclaimed author of the novel Sideways, upon which the multiply award-winning Alexander Payne movie of the same title was adapted. The film, now an unqualified cult classic, won over 350 awards after its release in 2004, including the Oscar for Best Adapted Screenplay. A sequel to Sideways titled Vertical (2011) won the Gold Medal for Fiction from the Independent Publisher Book Awards. In 2012 Rex successfully adapted his novel Sideways into a hit play that ran for 6 months at the Equity-waiver Ruskin...
