Languages of the Pre-Columbian Antilles (Hardback)

By Julian Granberry, Gary S. Vescelius

The University of Alabama Press, United States, 2004.

Hardback. Book Condition: New. Original. 241 x 160 mm.

Language: English . Brand New Book. This work formulates a testable hypothesis of the origins and migration patterns of the aboriginal peoples of the Greater Antilles (Cuba, Jamaica, Hispaniola, and Puerto Rico), the Lucayan Islands (the Commonwealth of the Bahamas and the Crown Colony of the Turks and Caicos), the Virgin Islands, and the northernmost of the Leeward Islands, prior to European contact. Using archaeological data as corroboration, the authors synthesize evidence that has been available in scattered locales for more than 500 years but which has never before been correlated and critically examined. Within any well-defined geographical area (such as these islands), the linguistic expectation and norm is that people speaking the same or closely related language will intermarry, and, by participating in a common gene pool, will show similar socioeconomic and cultural traits, as well as common artifact preferences. From an archaeological perspective, the converse is deducible: artifact inventories of a well-defined sociogeographical area are likely to have been created by speakers of the same or closely related language or languages. Languages of the Pre-Columbian Antilles presents information based on these...
