Golfers and non-golfers alike will be moved by the powerful transformation that takes place in Golf's Sacred Journey. 'Read it. Devour it. Keep it as a reference book. You'll be glad you did. Golf's Sacred Journey is a remarkable and encouraging story with an entirely different approach on how to succeed in your golf game.' --Zig Ziglar, leading motivational expert and bestselling author 'This book is full of wisdom that will enhance your game and I believe it just may change your life.' ---David Robinson, NBA MVP, 1992 Olympic Gold Medalist, Two Time World Champion This book is about influence. The story is based on thousands of athletes the author has counseled, and the great mentors and teachers from whom he has learned, told through the lives of two characters---a rancher with a passion for teaching truth and a young golf professional at the end of his rope. They represent each of us in the various stages of growth. In life we must be willing to coach and be coached, for either one alone will leave us empty.
