Journey through the Magical and Enchanting world of Dreams of Love. With her first publication, Carla Golian masterfully crafts a book of 19 poems, weaving them through 13 short stories to tell the tale of a Grand Love. Melodic and mystical, these tales of passion and romance will fascinate us and show us the ecstasies and agonies of Love, and the courage and risk required to follow our Dreams. Brave and Honest, Provocative and Bold, perhaps even shocking! There is no plea here, she makes no excuses for her words. In the few erotic scenes we see that Love truly is the essence of our existence, the essence of life. This book was born out of Carla's desire to share her encounter with a real life Grand Love. How much of the contents of the book is true remains a mystery. Dreams of Love will pierce through to stir up deep rooted emotions and will leave us wondering and reflecting long after we close the book. This item ships from La Vergne, TN. Paperback.
