What You Don t Know about Men Will Hurt You. What You Don t Know about Relationships Will Cost You. Why does the modern-day search for romance so often end in disappointment, especially for women? Is it something we do? Something we don t do? Are we missing important information about the opposite sex--or about ourselves? Is there something wrong with us that we long so desperately for til death do us part ? Sadly, many women today see their ongoing singleness as a weakness or lack of worth. In truth, our dreams go unfulfilled not because we do not deserve for them to come true, but often because of wrong assumptions--assumptions that can easily be corrected. Drawing on both male and female perspectives, this book deals with the hard issues and questions you and other women ponder as you consider how to obtain lasting love. What Women Don t Know (and Men Don t Tell You) will help you adjust your desires, redefine what you are attracted to, set your values in order, and determine your goals--freeing you at last to pursue the loving relationship you desire.
