The facts which will thus be established by the Evidence about to be thus Opened have been gathered from a detailed examination of each of the Plays by itself, and by a careful search into the period of Bacon s private life corresponding to the time when it was written. No investigation has ever been previously made into the first ten years or thereabouts of the career of the great Philosopher. It will be sought to trace Bacon s hitherto undiscovered employment and mysterious source of income from soon after his profitless Call to the Bar of his Inn of Court until he procured Political Preferment in the days of James I. In the interval, Bacon obtained little professional occupation, and consequently little income from the Law. At the end of his life, after his fall from the High Office of Lord Chancellor in 1621, a similar inquiry as to whence he derived an income must also be made. As a preliminary to the first of these investigations the position of the English Stage during the early part of the time dealt with will be shown. Moreover, the Evidence will give cause to believe that Bacon not only held, but actually carried into effect, peculiar views as to the proper province of the Stage. The facts revealed by due inquiry will be placed in a form in which, according to all principles governing the law of evidence (which the writer has for years made the subject of special study) they would be regarded in a Court of Law as evidence. But before summing up the proofs of Bacon s authorship,...
