Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

A chance encounter with a young girl, selling her body beside the road in the early morning, alerts them to an untold tragedy - thousands of girls, some as young as ten, trapped in prostitution. Travelling over 1,500 miles along the BR-116, they find entire communities living from child sexual exploitation, where parents sell their own daughters and those in authority turn a blind eye.
