REPRESENTATIVE AMERICANS: THE REVOLUTIONARY GENERATION

Rowman & Littlefield Publishers. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 9.0in. x 6.4in. x 1.1in. Each generation of Americans has a special flavor, a character of its own. Sometimes a memorable decade, such as the Gay Nineties or the Roaring Twenties, imprinted the generation that lived and outlived it. Yet no simple rubric comes easily to mind when one thinks of the Revolutionary generation. Their accomplishments were too grand, their interests too varied, to be encompassed in a single phrase. Risjord divides this book into three sections, each exploring one of the eras dominant themes. The first section, Nation Builders follows the careers of military men such as George Washington and Francis Marion and examines life on the homefront through the eyes of Abigail Adams. The section headed Character Builders examines the lives of people who sought to mold an American national character, men such as Charles Willson Peale, Benjamin Rush, and Noah Webster. The last section explores the paradox that the Revolutionary generation also gave birth to an empire in which self-governing people ruled sometimes tyrannically over others. The founders of the American republic were preoccupied with the fundamentals of society and government. This book reflects this concern and also explores the lives of individuals who contributed to science and the arts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
