

Off the Premises Handbook: A Comprehensive Guide to Taking Students on Educational Visits (Mixed media product)

By Caroline Stagg, Peter Smith, Anthony Thomas

Optimus Publishing, United Kingdom, 1999. Mixed media product. Book Condition: New. Language: N/A. Brand New Book. The Off the Premises Handbook is designed to enable you to run well-planned, efficiently managed, interesting and safe events away from school. With this handbook you will be able confidently to plan, prepare, implement and evaluate off-site visits that will support learning and enrich your relationships with students in the knowledge that you have the full support of national, local and school policies. Taking your students out of school for carefully selected and suitable purposes is good for their learning. A steadily growing body of research and practice shows that there are short-,medium- and long-term benefits to students from such experiences, whatever the subject or activity. Being off the school premises can at times seem to be fraught with difficulties and danger. However, the benefits of off-site learning make the efforts educationally worth while. If visits, events and ventures are well planned and managed, with adult support that is well trained and informed, then the unanticipated and unforeseen are minimized. What the Off the Premises Handbook can do for you: *Provide comprehensive guidance on planning, implementing and evaluating every stage of your school visit...

Reviews

Comprehensive guide! Its this sort of very good go through. It generally is not going to price too much. Its been designed in an remarkably basic way which is simply following i finished reading this pdf where really changed me, affect the way i really believe.

-- **Prof. Jeremie Blanda DDS**

It in a single of the best pdf. Better then never, though i am quite late in start reading this one. I realized this ebook from my dad and i encouraged this publication to understand.
