## PROBLEMS AND PROSPECTS OF TEXTILE INDUSTRY IN INDIA

Mittal Publications, New Delhi, 1993. N.A. Book Condition: New. Viii+191pp This book offers an assessment of the performance of the large and medium textile industry in India, based on a case study of Orissa. While measuring the productivity of the textile industries in the organised sector, it throws light on profit and employment in the textile industries in the state and examines their prospects in the light of the demand for and supply of the textile products. As a prelude...
