Print on Demand *****.Working is inevitable. It has always been and always will be. If not for nothing at all, at least for the need to survive. Of course, there are people who work with pleasure and out of dedication. Unfortunately, these people are much rarer than one would expect them to be. The society we now live in, has taken away most of the pleasure of working, and in most cases these days, going to job is just a matter of earning money to survive. Our choices have little to do with what we fill our daily lives with. It does not matter if you like your job or not, if your boss is a nice or a difficult person, money has to be made. This is the ugly truth for many of us. There is still a way to have a better chance when it comes to choosing what you want to do with your life. And that is going to college. Having a higher education offers the possibility of specializing in a specific field, one that you like...
