Ladies, Forget What You've Heard, the Uncut Truth about What Men Really Think! (Paperback)

By Yamo

Dog Ear Publishing, United States, 2006. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. Ladies, the time has finally come, to bring women out of the darkness, and shine some light on what goes on in the minds of men. Everything that you thought you knew can be tossed out the window, because ladies you have No clue. See, if you Absolutely understood how the male mind ticked, your first relationship would ultimately have been your last. The two of you would be living happily ever after to this very day, and you wouldn't be reading this book. Considering the fact that you're still reading, only further confirms the fact that you know if you desire to have a successful relationship with a man you need to fully understand him. Now let's go. Yamo, a job well done. Who would have ever thought it was me fucking up (DAMN). I thought my shit was on point, and all along it was my insecurity my nagging. This book is like GOT DAMN, I got to do all this shit to keep my man, but guess what it...

Reviews

The very best book i actually read through. I have got read through and i am certain that i will likely to read through yet again yet again down the road. I realized this ebook from my dad and i suggested this book to learn.
