Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

In fact, to change a system tor governing society, of continued inconsistency, contradiction, and counteraction, for one of never-ceasing consistency and perfect harmony, in spirit, principle, and practice. In short to change a pandemonium for an earthly paradise. But to effect this great and glorious change for the human race, it is absolutely necessary that all the laws of men should be now superseded, by the All-good, all-wise, all-merciful, and all-efficient laws of God; the laws of men being the creators of all vice, crime, repulsive feelings, and physical and mental sufferings of all of human-kind.
