The Forward Pass in Football (Classic Reprint) (Paperback)

By Elmer Berry

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Forward Pass in Football The history of football has been a story of limiting the power of the offense. The defense has never been restricted, never curtailed, never hampered, always free to line up as it chose, to go when it pleased (barring offside), where it pleased and do practically as it pleased. Always the offense has been too strong, too powerful, and there has been the necessity of legal restrictions directed toward equalizing the attack and defense. This was true in general up to the revolution when ten yards and the forward pass came and the new game was created. With the forward pass a great, new, unknown offensive weapon was provided. The history of the game since the granting of this new method of attack has again been chiefly a story of limiting the power and effectiveness of this new offense. To be sure minor changes in the rules have had other motives and objectives, but taking it by and large the statement is true to fact. A brief review of the...

Reviews

The book is simple in read safer to comprehend. It is writter in straightforward words and phrases instead of confusing. You wont truly feel monotony at anytime of your time (that's what catalogues are for concerning in the event you request me).

-- **Brannon Koch**

It in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
