NUMBERS (PAPERBACK)

Liturgical Press, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Irene Nowell admits that the book of Numbers rarely makes the top ten list of favorite biblical books. But through her insightful interpretations and practical reflections, readers will gain a new and positive appreciation of the text. With Nowell, readers will relish the harassment and humor of the prophet Balaam and his talking donkey in chapters 22-24. We too are blessed by this delightful and ingenious God who communicates through a loquacious animal. This same God lives and moves with us, meets our needs as we wander through our personal and communal wilderness, defends us against the enemies of our sinfulness better than we can ever do in our weakness and fickleness, and eventually brings us to our promised place of glory. And God wants all of us to be in that number. Irene Nowell, OSB, of the Benedictine community of Mount Saint Scholastica in Atchison, Kansas, is a member of the translation team of the revised Old Testament of the New American Bible. She teaches Scripture courses at Saint John's School of Theology's seminary, Collegeville, Minnesota. Nowell is a member of the Committee on Illuminations and Texts for The Saint John's Bible and a past president of the Catholic Biblical Association. She is author of *Jonah, Tobit, Judith* in the Collegeville Bible Commentary; *Sing a New Song: The Psalms in the Sunday Lectionary*; and *Women in the Old Testament*, all published by Liturgical Press.
