Brand New Book ***** Print on Demand *****.Excerpt from Government Reclamation Work in Foreign Countries: Compiled From Consular Reports and Official Documents On the 8th of March, 1907, a department circular, embodying a series of questions with respect to the nature and extent of the participation of foreign governments in the reclamation of land by means of irrigation, drainage, and unwatering, was addressed by the Department of State to consular officers abroad. The questions were as follows: (1) What aid is extended by the Government to districts, municipalities, or private persons in the planning and execution of reclamation, drainage and irrigation works? (2) Are works in any of these classes executed by the Government, or does the Government aid in their construction by making the necessary investigations and plans or by the contribution of funds, by extending its credit, or by subsidy? (3) Does the Government, when it contributes to such work, recover its outlay? If so, what provisions are made for reimbursement? (4) Is there any general law defining the aid which the Government may extend to provinces, to municipalities, to corporations, or...
