Brand New Book ***** Print on Demand *****.Private investigator Lucas Holt is on a mission. Lucas Holt specializes in kidnap recovery. Ex-Delta Force and a former NYPD detective, he has spent the last fifteen years burying himself in case files to cope with the unsolved abduction of his daughter, Marnie. Janet Maxwell just can't let go. After the death of Janet's husband and son in a tragic car accident, she hopes Holt's expertise can locate the daughter she gave up for adoption seventeen years ago. Janet knows her actions will have explosive repercussions for the girl's father- presidential candidate, Todd Grayson. With no family, hope of finding her only daughter is all she has left. Or is there a more sinister motive? There's no greater incentive for a father than protecting his daughter. On a mission to bury the constant reminder of his failure to recover Marnie, Holt agrees to Janet's proposal. But at what cost? When his inquiries lead to news of the death of another woman, Holt can't shake the feeling something is off about the whole case. And when new evidence surfaces about Marnie's disappearance, finding her and finding Janet's daughter become the same treacherous mission. Crooked candidates, hired mercenaries, and his own life on the line-will Holt find it inside him to risk everything in the line of duty? There's no telling how far you're willing to go when you have. Everything to lose.
