HarperCollins, United States, 2015. Hardback. Book Condition: New. Benjamin Lacombe (illustrator). 221 x 155 mm. Language: English . Brand New Book. The book is about, among other things: the strongest boy in the world, a talking cockatoo, a faulty mind reader, a beautiful bearded lady and a nervous magician, an old museum, and a shrunkn head. Blessed with extraordinary abilities, orphans Philippa, Sam, and Thomas have grown up happily in Dumfrey s Dime Museum of Freaks, Oddities, and Wonders. But when a fourth child, Max, a knife-thrower, joins the group, it sets off an unforgettable chain of events. When the museum s Amazonian shrunkn head is stolen, the four are determined to get it back. But their search leads them to a series of murders and an explosive secret about their pasts. This sensational new series combines the unparalleled storytelling gifts of Lauren Oliver with the rich knowledge of the notorious relics collector H. C. Chester. What you will find in this book: A rather attractive bearded lady Several scandalous murders A deliciously disgusting Amazonian shrunkn head Four extraordinary children with equally extraordinary abilities A quite loquacious talking bird What you will NOT find in this book: An accountant named Seymour A never-ending line at the post office Brussels sprouts (shudder) A lecture on finishing all your homework on time A sweet, gooey story for nice little girls and boys Learn more about the series online at.
