The Committee also provides over 6, 900, 000, 000 for basic research through the National Science Foundation NSF. Education. --The Rising Above the Gathering Storm report emphasized that the future of U. S. competitiveness rests on our Nations ability to train the next generation of scientists and engineers. For this reason, the Committee has invested over 857, 000, 000 in NSF education and training programs. This is a critical investment to ensure that our Nation leads the world in science, technology, engineering, and mathematics from kindergarten to post graduate levels. Investing in an Innovation Friendly Government. --The bill provides important funding to ensure that we have a Government that protects our inventions. The Committee recommends the full budget request of 1, 930, 361, 000 for the Patent and Trademark Office USPTO to protect the intellectual property of our inventors. In addition, the Committee has provided language to allow the USPTO...
