Her success has brought her everything - except what she fears most New York. London. Milan. Paris. Fashion week in all four cities. A month of endless interviews, parties, unflagging work and attention to detail. At the centre of the storm is Timmie O Neill, whose renowned line, Timmie O , is the embodiment of casual chic, in fashion and for the home. She has created an international empire that inspires, fills, and consumes her life. In a world where humility and compassion are all too rare, Timmie s humour, kindness, integrity, and creativity are inspirational. Yet as blessed as she feels by her success, she harbours the private wounds of a devastating childhood and past tragedy. Always willing to take risks in business, she never risks her heart - until an intriguing Frenchman comes into her life during Paris Fashion Week. There is every reason why they must remain apart. But neither can deny their growing friendship and the electricity that sparks whenever they meet. Are they brave enough to face what comes next? And will they do it together - or apart?.
