Brand New Book ***** Print on Demand *****.Excerpt from A Child's Life of Christ: With Illustrations in Colors It is delightful to witness the deep interest which children take in the History of their Saviour; they are early attracted and sweetly riveted by the wonderful Story of the Master from the Manger to the Throne. If God has implanted in the infant heart a desire to hear of Jesus, surely it behooves the friends of little children (whom Jesus delighted so to gather around him) to bring together from Scripture every incident, expression, and description within the verge of their comprehension, and to weave them into a memorial garland of their Saviour. Children will gaze with admiring love upon each wondrous act and word - from the pure snow-drop of innocence in the manger to the passion-flower of agony in the Garden of Gethsemane, and thence to the glorious Ascension of our Divine Saviour into Heaven.
